It's a Win — Win — Win

Maven Technologies, LLC will properly recycle your unwanted (working or not) computer & electronic equipment at their authorized facility. Recycling computers is an effective, legal and responsible way to deal with the hazardous materials embedded in these electronic devices. Electronic devices contain lead, PVC, barium, chromium, mercury, beryllium, cadmium, dioxins and other things we don't want in landfills.

We Can Accept (Working or Not)

Desktop Computers, Tower Computers, PC's or Mac's, Computer Monitors, Keyboards, Laptops, PS2, xBox, Printers, DVD players, VCR's, Fax Machines, Scanners and Televisions

We Cannot Accept NO EXCEPTIONS.

Full-sized office copiers, home appliances, medical equipment, microwave ovens, car batteries.
